

Registration Checklist

To ensure the PEXA registration process is as easy as possible, we suggest collecting the following information now.

Please note that you will also need to sign and return some documentation as part of the final registration step.

Organisation Details

(if applicable)

Professional Details

Financial Details

Digital Certificate

Verification of Identity (VOI)

We recommend you commence the VOI process as soon as it's listed in the "Supporting Documentation" side bar in Step 3.
